CALVARY CONNECTIONS

Tiffany Calico

I was born in Parsons, KS, the middle child of three on a farm with lot's of animals. I had a horse that I would ride after school most days. A favorite memory was visiting my granny and swimming in the Oswego pool all day and riding bikes around the block at her home. She was the most influential person in my life. We eventually moved to Arkansas to be closer to family.

My first job was at a Consumers grocery store as a sacker. I currently work as a Janitor at a post office and have the privilege to be a nanny to my grandson. If I could of had any other profession, it would be to be an owner of a flea market or seller of antique furniture and items.

Kenny, my belated husband, was my best friend. We were married 22 years before his passing. God blessed us with two girls, whom I am so proud of. With his passing, I learned to trust Jesus and keep family close. I try and make sure to not get ahead of God and only take a moment at a time in tough times. My family time is so important to me, I enjoy going to church, vacationing and just being around them.

A bucket item on my list is to travel to a few places such as the Grand Canyon and Yellowstone someday. If I had a dream location to live, it would be Florida. I would also like to learn the art of crochet. My salvation came after God had been working on me for many years, but one night while watching a preacher on tv, I finally surrendered. I keep my faith strong by prayer and reading the Bible. I want my legacy to be known as someone who was kind and that I loved Jesus.

I came to Calvary at the invitation of my mother, who was invited by a co-worker who attended here. Calvary has been my church ever since.
