#### CALVARY CONNECTIONS

#### **Rosalind Snow**

I was born in Rogers, Arkansas. Some of my best childhood memories were spending time with Grandma Lyon, skating and swimming. My favorite memory was seeing Elvis Presley in Springfield, MO singing with the Jordanaires "How Great Thou Art" before he passed. My chores included cleaning the house for a shopping allowance. My first job was at A & W Root beer. I started working there to buy a car. Fast forward in life, I retired from Tyson Foods after 30 years working in sales and accounting. If I could have had another profession, it would have been a plastic surgeon. "giggles"

I have two sons, Christopher and Joshua, four granddaughters, five grandsons and one great grandson. I am a member of Planet Fitness and enjoy walking my dog, "Joy" (Maltese dog). I also enjoy working puzzles and going to flea markets and gospel singings.

The most important lesson I've learned in life is to slow down! (Yea, right!) If I could give a piece of advice, it would be to not use drugs or alcohol and brush your teeth.

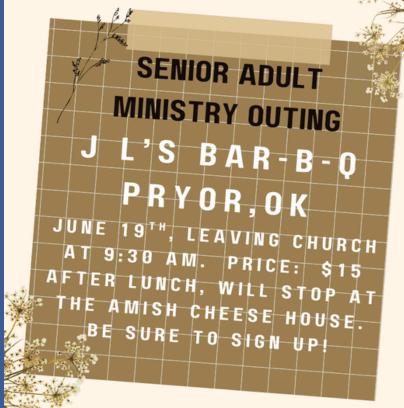

I am most grateful for my family, health, church, salvation and my doggie. In the future, I am looking forward to Heaven and listening to more gospel singing in the meantime. I want my legacy to be known as someone who had a kind heart, had lots of love to give, always smiling, someone who loved her family and pets. I keep my faith strong through daily prayer and staying in church.

Grandma would take me to church when I was young, which is how I started developing my faith. A friend, Chuck Thayer invited me to Calvary in 1998. I was so impressed with the anointed singing and preaching, that I kept coming. Later, I re-dedicated and got rebaptized here. I love my church and my church family!
