## **Jackie Bowen**

I was born in Cordell, Oklahoma and share a birthday with my twin sister [she is 10 minutes older]. I always admired my Dad's character and wanted to imitate that when I grew up. My Mom also taught me moral values that guided me in life. Some of my best childhood memories were spending time with my grandparents. My favorite memories were going hunting and fishing with my Dad and going on 4-wheeler rides in Madison County. My Mom, Dad, and J.E. Eoff [played music with him] were some of the most influential people in my life. I learned to play the guitar at music parties by watching & studying J.E. Eoff. I can play up to five instruments: guitar, banjo, mandolin, dobro and bass guitar. My very first job was at Layman's Hardware and I retired from ATCO Rubber as the Warehouse Manager. I was also drafted in the Army after high-school [1970] and stationed in Germany for most of my service handling Radio Communications. I met my wife, Charlene in church. It used to be People's Mission and now it is Westside Free Will Baptist Church. Our first date was at the Dairy Queen. We have been married 54 years and blessed with a son. Keys to our marriage are loving and serving the Lord. As a family, we enjoyed going to Silver Dollar City in Branson, MO and going out to eat. In my spare time, I enjoy fishing, hunting and hot rods. In fact, I've owned a few hot rods such as a Pontiac GTO, Chevy Nova's/Bel Air/Chevelle SS/ and a 1950 Chevy pick-up and some nice bass boats throughout the years. The most important lesson I've learned in life is to always be honest and appreciate things in life and to never take things for granted. I keep my faith strong by reading God's holy word, praying to God to lead and guide me in this troublesome world. Regrets in life? I wished that I had gotten saved sooner. I came to faith at the church where I met my wife. I want my legacy to be that I want people know that I did my best.

How I heard about Calvary? I heard about the good preaching and singing at Calvary and decided to make it our home church.
